- Weight: 347 g
- Connectivity: Wi-Fi (2.4 GHz) and Bluetooth
- Supported smart home platforms: Apple HomeKit, Google Assistant, Amazon Alexa
- Other features: RGBW, dimmable, color changing, scene control

### 3. Installation

⚠ Caution: Installation by qualified personnel only!

1. Disconnect the power supply (fuse).
2. Screw each bulb into a suitable light fixture with an E27 socket.
3. Reconnect the power supply.
4. Set up each bulb individually via the Yeelight app (Wi-Fi / Bluetooth), following the app instructions.

### 4. Operation

- Turn on and off via the wall switch.
- Control via the Yeelight app, voice control (Alexa, Google, Siri), or a compatible smart home system.
- Functions: dimming, color changing, scenes, music mode.
- Each bulb can be controlled individually or in group mode.

### 5. Safety instructions

- Always disconnect the power supply before maintenance or cleaning.
- Not suitable for outdoor use (protection class IP20).
- Do not hang covers or heat-sensitive materials over the bulbs – risk of fire.
- Use only with the specified voltage.
- If the lamp is defective, do not open it or attempt to repair it yourself.

### 6. Cleaning and maintenance

- Only clean when the device is switched off.
- Wipe with a dry, soft cloth.
- Do not use liquids or aggressive cleaning agents.

### 7. Disposal

This product is subject to EU Directive 2012/19/EU (WEEE). Please do not dispose of LED lamps with household waste. Please dispose of the lamps at an appropriate collection point for waste electrical and electronic equipment.

### 8. Importer
